Played out on the stage of creation, autumn is a reminder of the enduring strength of life. At first glance, it appears that everything around us is dying. During the course of the season, leaves fall, plants die or go dormant, animals go into hibernation or prepare for a long cold season of scavenging for survival. Whether by going dormant and emerging in the springtime, or by “sewing” seeds which will grow when warmth returns, plants and animals reveal their strong “will” to live in this season of transition. Each animal and plant quietly holds on to life with patience and stamina. If we mindfully observe creation preparing this season of rest, we too will be filled with restfulness.

At times we find ourselves in seasons of survival, sewing seeds which will carry on our life in future generations of humanity plus the rippling effects we have on all of creation. We sow seeds. At times we struggle and endure to survive. We experience losses, we have set backs, we become ill, and we come up against walls which divert us from dreams, hopes, and expectations.

Yet our roots sink deeper, we grow, we learn, we discover our true nature which is hidden with Christ's love in God. The only way we learn these deep truths, is by our “autumn experience” in living. We are tempted to despair--to give up—but by the mercy of God's Spirit, and some good fortune (which is beyond our understanding) we drawn forth into the never ending goodness of God. At times we are tempted to think that we are the only ones who struggle, but struggle is part of being alive. God moves with us in our struggling and eventual recovery/discovery of peace in the presence of the Ground of all existence.

May we reach out to one another in our seasons of autumn so that none is alone. Each of us carries God's very presence as we visit, as we listen, as we write, as we speak. May we be mindful that we are vessels of God's presence and peace, even when we do not feel that way.

Take courage in the enduring life of the trees, and grass, birds, and other animals which call us to drink deeply of God's gift of life in creation. Thanks be to God, the gracious giver of all good things.

ELIZABETH EATON ELECTED PRESIDING BISHOP OF THE ELCA

The Evangelical Lutheran Church in America on Wednesday (**August 14**) elected the Rev. Elizabeth Eaton as our denomination's fourth presiding bishop. Eaton received 600 votes, and current Presiding Bishop Mark Hanson received 287. She was elected on the fifth ballot.

Eaton currently serves as bishop of the Northeastern Ohio Synod (elected in 2006) and is a native of Cleveland, Ohio. She is married to the Rev. Conrad Selnick, an Episcopal priest and has two daughters. Prior to becoming synod bishop, Eaton served as pastor for ELCA congregations in Ohio, most recently at Messiah Lutheran Church in Ashtabula, Ohio, for 15 years. She earned a Master's of divinity degree from Harvard Divinity School in Cambridge, Mass., and a Bachelor's degree in music education from the College of Wooster in Wooster, Ohio.

"We are a church that is overwhelmingly European in a culture that is increasingly pluralistic. We need to welcome the gifts of those who come from different places, that is a conversation we need to have as a church," Eaton told the assembly shortly after the election.

SUMMARY FROM THE 13TH BIENNIAL CHURCHWIDE ASSEMBLY OF THE EVANGELICAL LUTHERAN CHURCH IN AMERICA

which was held **Aug. 12-17, 2013**, at the David L. Lawrence Convention Center, Pittsburgh, PA. The theme was "Always being made new." **952 voting members were present.**

Elected the Rev. Elizabeth A. Eaton as ELCA presiding bishop

Voting members elected the Rev. Elizabeth A. Eaton, bishop of the ELCA Northeastern Ohio Synod, as ELCA presiding bishop. Eaton will be installed Oct. 5 at Rockefeller Memorial Chapel in Chicago and will begin her six-year term as ELCA presiding bishop Nov. 1.

Elected Wm Chris Boerger as ELCA secretary

Voting members elected the Rev. Wm Chris Boerger as ELCA secretary. Boerger, who recently completed two terms as bishop of the ELCA Northwest Washington Synod, was installed during the assembly's closing worship Aug. 16. He will begin his six-year term as ELCA secretary Nov. 1.

Adopted "The Church and Criminal Justice: Hearing the Cries"

The assembly adopted "The Church and Criminal Justice: Hearing the Cries," a social statement on criminal justice. The statement affirms the fundamental principles of the U.S. criminal justice system, such as due process of law and the presumption of legal innocence, and it also recognizes serious deficiencies -- overly harsh sentencing and persistent inequalities based on race and class. It calls ELCA members to hear the cries of those affected, recommit to visiting the prisoner, correct the flawed criminal justice system and participate in God's work with hands and hearts.

Approved ELCA's first major fundraising campaign

The five-year campaign, to begin in 2014, is designed to increase this church's capacity to renew and start new congregations, educate and develop its leaders, bolster its global mission efforts and expand the impact of its relief and development work. Voting members approved two additional campaign initiatives -- encouraging and forming lay youth and young adult leaders and support for disability ministry. The total campaign goal is \$198 million.

Moved to extend the Book of Faith initiative

Voting members affirmed the Book of Faith Initiative "as a continuing emphasis and priority in this church." The initiative invites the 4-million-member ELCA to become fluent in the first language of our faith -- the language of Scripture -- and to be renewed for lives of witness and service.

Adopted ELCA budget proposals for 2014-2016

The budget for the ELCA churchwide organization includes current fund spending of \$70,541,740 for 2014, \$68,552,280 for 2015 and \$67,920,675 for 2016. It also approved ELCA World Hunger income proposals of \$19,000,000 for each year

2014-2016, and authorized the ELCA Church Council to establish a spending authorization after periodic review of revised income estimates.

Considered proposals from the Memorials Committee

Voting members approved a variety of synodical memorials on topics that include community violence, Israel and Palestine, Holy Communion, immigration reform, pastoral ministry among same-gender couples and their families, the Uniting American Families Act, gender identity discrimination, immigration detention, hydraulic fracturing, fossil fuels and more.

Considered resolutions from the Reference and Counsel committee

The assembly approved resolutions on topics ranging from the 500th anniversary of the Protestant Reformation to a social policy resolution concerning the guarantee of voting rights to all citizens. It also considered amendments to the ELCA Constitution, Bylaws, and Continuing Resolutions on term limit provisions and referred some amendments to the appropriate units of the churchwide organization, Church Council and Conference of Bishops.

The ELCA Churchwide Assembly, the highest legislative authority of this church, will transition from a biennial to triennial schedule with the next assembly meeting August 2016 in New Orleans. LA.

See the “ELCA Made New” article & pictures (pages 20-23) in the September issue of *The Lutheran* (copies are available for checkout at Barren’s - back table) for more information about the Assembly.

MOVIE NIGHTS AT EMMANUEL (August & September, 2013)

- The movie for **August** was “Hotel for Dogs”, a comedy based around a brother and sister who both need somewhere in a large city to hide their dog, Friday, from the city dogcatchers. They transform an old abandoned hotel into a refuge for him and also where no stray pet ever gets turned away. Loaded with adorable dogs, a team of clever kids, and a never-ending supply of ingenious gadgets to support their dogs care, this heart-warming adventure will leave you barking out loud with its contagious humor. There were three Franklinton youth in attendance this month and they thoroughly enjoyed the movie.
- Movie night for **September** again had three youth in attendance and the movie was “Manna from Heaven”. When a blizzard of cash mysteriously falls from the sky into the hands of a family from Buffalo, young Theresa declares it a miracle. Now years later Theresa has become a Nun..... and decided they must pay it back. What follows is a good natured fable about family ties and the redemptive power of hope.

Our sincere gratitude to those who donated refreshments and assisted in making these nights possible.

CONGREGATION “DAY OF APPRECIATION” - Below are a few photos taken at Barren’s **September 8, 2013** after worship when the Outreach Committee served refreshments to the congregation as a “thank you” for all the generous donations the congregation has given to help others in the community and world. The Outreach Committee sincerely appreciates the support from our members! Whenever they ask for needed items, the members always come through to help those who are less fortunate. **THANK YOU!!!**

FULP'S CHURCH PICNIC – Our Parish picnic was held Sunday, **September 8** this year at the Church House following worship. Ellen had games for all to enjoy while Jack Zeigler was grilling hotdogs and hamburgers. There were approximately 40 in attendance and the weather was perfect for a picnic! Below are some pictures of the afternoon's events. Thank you to everyone who had a hand in making our parish picnic a memorable one.

GARDEN OF HOPE - The garden has produced 506 pounds of fresh vegetables as of this writing, and there are still radishes, red beets, beans, tomatoes, turnips, and spinach in the ground that have to be picked when ripe. It seems a little cool this early in September and as long as the frost can be patient a little bit longer, we should be able to increase that figure. The garden has been very good to us this year and the effort that was applied has rewarded us with the opportunity to feed those in need through New Hope Ministries. The reception at New Hope was always one of sincere appreciation whenever we delivered the vegetables. Our praises go to our Lord for the bountiful harvest, and our gratitude to those who so unselfishly dedicated themselves to working in the garden. And we would be remiss if we did not express our appreciation to Loren Swivel for donating the space required for the garden. Thanks to all.

FUNDRAISING OPPORTUNITIES - St. John's Franklin is having a fundraiser for the restoration of the lower level.

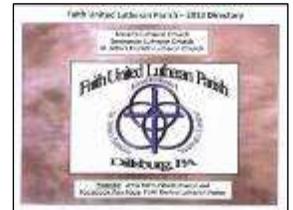

- Auto and Home First Aid kits are available for a donation of \$10 each
- Bruster's coupon booklets are available for a donation of \$12 each. Order sheets are at the rear of the churches, or see/call Nancy Bobb (602-5865)
- We also have a selection of plants - Rose of Sharon, Butterfly bush, Christmas cactus, and Red Raspberry. You may choose, even dig, your own at the best time to plant, for a donation. See or call Marlene Stiffler (432-5365).

CAMP JOY EL BIBLE RELEASED TIME celebrates its 75th anniversary this fall! The theme this year is from Psalm 24:6 "*Such is the generation of those who seek Him, who seek Your face, God of Jacob.*" According to state law children may, with the permission of their parents, be excused from class for one hour each week for Christian instruction. We are blessed in the Wellsville area to have housed this program at Grace Church for about 25 years. Our desire is to connect and ignite with children in grades 3 through 5 for one hour each week. Children walk from the elementary school to Grace and have about 45 minutes of learning a Bible story, memorizing Bible verses, singing God's praises and they are then walked back to school. Children are blessed by having an adult who listens to them and where they know they are valued in a safe environment. The children are in a place they can safely ask spiritual questions and receive an answer. "The National Council on Crime and Delinquency did a study on Released time classes and found that 4th and 5th graders involved in the program performed better than their classmates. Released Time students improved after one year in three categories of literacy skills: comprehension, spelling and vocabulary. If you have a student in this age bracket, please consider sending them to Released Time. A permission slip will soon be coming home for your signature. If you know an adult who would be willing to devote two hours each Thursday, please have them contact Sue Deardorff 292-1170. If your students are in other elementary schools, please contact the school office as most of the elementary schools in the area have a program.

In our Parish we are pleased to have several volunteers that have been participating in this very worthwhile program, in cooperation with the Wellsville Elementary School, and they are: **Joan Hess, Barb Zeigler, Pearl Foreman, and Wally Foreman**. In addition to Sue Deardorff, feel free to contact any of these individuals in our parish for additional information regarding the program and the amount of time involved.

SPECIAL CARE PACKAGES - Barren’s will have 2 boxes in back of church to collect items to send to Kurt Renshaw and Jared Ross. The boxes will be in church on **September 29** and **October 6**. Goodies for boxes can include any candies (no chocolate), baby wipes, cards, Q-tips, stamps, Chapstick, or anything that would be helpful to Kurt or Jared. The packages will be mailed early October.

FARM WOMEN #17 SOUP/BAKE SALE - On Friday, **October 4** from 9:00AM - 3:00PM the Farm Women Group #17 are having a soup/bake sale at the Church House. Come out and purchase some great food! Hope to see you there. Any questions, contact Ellen Hampton.

A DAY OF GRATITUDE PROGRAM/SERVICE - The Dillsburg Ministerium of pastors and churches is sponsoring a “Day of Gratitude for Emergency Responders” on **October 6, 2:00PM** at Bostic Field and the adjacent Sports and Learning Center circle. The program will include the expressions of gratitude of people who have been helped by emergency responders (ambulance, fire and rescue, fire police, police). If you have a story to share, please call Roy Stetler at 350-5057 or email at revstetler@gmail.com soon. Written submissions are fine if you avoid public speaking!

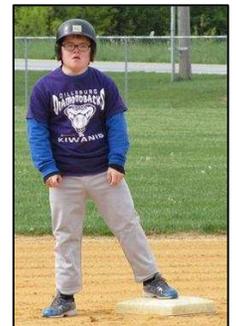

Also in the program we will name those who are involved in these services, take up a collection to be divided among the volunteer services, offer a bit of music, and a prayer of blessing for their safety and wellbeing. Cake and drinks will be served immediately afterward. Emergency responders will be set up around the SLC circle for demonstrations and conversation. Everyone is invited! Please come to show your support for the people who are available when we and our neighbors need them most!

This ministerium event has grown out of a conversation during the July Parish (FULP) Council meeting, so please support it if you are able. Thanks to Kevin Hoke for speaking with the fire chiefs and thanks to Wally Foreman for arranging meetings with the police chiefs!

MUGS & MUFFINS - The topic for this month's Mugs 'n' Muffins (at 8:00AM, **October 12**, at St. John's Franklin) will be "My Christian Heritage." *What did you or your family do in the past? VBS, Sunday School, table prayer, bedtime prayer, attend another church* - come and share. Don't forget we'll be serving food.

9TH ANNUAL BUDDY WALK - The 9th annual Buddy Walk for the York Area Down Syndrome Association is Saturday, **October 12** at Lehr Park, Dover. Registration begins at 10:00AM followed by the walk at 11:00AM. Rain or shine! This is what it’s all about! John and Marianne Weaver have performed pieces for flute and organ for many years and in many different venues both here and abroad. Marianne Weaver graduated from the University of Wisconsin, Milwaukee, and the Manhattan School of Music. She has played with numerous ensembles including the American Wind Symphony Orchestra, the Long Island Philharmonic, the Canterbury Chorale Orchestra, Musica Sacra and several light opera groups. She has also had a successful teaching career in New York City.

His musical collaborations with his wife have inspired Weaver to compose music for flute and organ, and two of these works have been published: "Rhapsody for Flute and Organ" and "Dialogues for Flute and Organ". The latter was composed for their performance at St. John's College, Cambridge University as part of the International Congress of Organists held in Cambridge, England in 1987. FREE.

GOD'S WORK - An odd assortment of items lay on the table in the front of the sanctuary at St. John's Franklin during worship. As we were led to consider how our life's work is also God's work, and the many times work is mentioned in the Bible, these items took on special meaning. Tools of our trade, so to speak, or results of our work. Can you guess whose work each of these items represented?

September 17, 2013 at Barren's**

Secretary's report, financial report, treasurer's report and pastor's report where all approved by council.

Council discussed tax problems that appeared in late July. The parish has fallen behind in payment of payroll taxes. Marcy Drake is helping us figure out how much is owed to local, state, and federal tax collectors. We are waiting for the IRS to send us reports of what we have paid for the past four years. A motion was made that we continue with Marcy until situation is resolved and then to hire an accounting firm. Motion was 2nd and carried.

Barren's is still looking for a Comptroller as Amber would like to retire.

The ELCA has changed their health programs for employees. Pastor Roy explained the plans to council. A motion was made to sign Pastor Roy up for the Gold plan as that was similar to what he currently uses. Motion was 2nd and carried.

Respectfully Submitted, *Nancy Bobb*, Secretary

August 20, 2013 at Sandy and Clarence Bachert's

President Comments: Things are happening. Our special meetings and our work times have gotten us where we are.

Outreach Report: Parish Picnic to be held Sept. 8th.

Cemetery: Greg continues to do bi-weekly mowing. Jack Zeigler was "on call" with Cocklin's while Marlene was on vacation. She had several e-mails from someone who didn't know they had lots until she did further research. Marlene suggested they place corner markers at cemetery site.

Old Business:

- Marlene plans to prepare updated "to do" lists for distribution shortly.
- There are fewer blank spaces on the schedule, thanks to Pam being willing to lead worship several Sundays. The Supply list from the synod is not up-to-date. If you want to participate in any additional ways, please let me know.
- Baymont will be cutting cement Wed. Aug 21. Proposal was to include pump bladder. We need to think about water and sump pump being replaced.
- Fundraisers: We have the OK to set up at the Farmer's Market one time in Dillsburg. We need to pick a date and plan who can be there for which hours. Set-up begins at 7:15. The date suggested is Sept. 7th. There is to be an article to be put in Banner about our Church's problems caused by storm and our resolutions; what has been done and purpose of the fundraiser.
- Ceiling has been repaired and paid for. It will need to be painted at some future time.
- Mugs and Muffins will be held at our church on October 12.
- Mountainview Christian Fellowship: Marlene has drafted letter calling for a congregational meeting on September the 8th. Do you see anything that should be changed? When should we meet with their relocation committee? Would tonight be a good time to discuss some specifics? Like worship times, allocation of shared expenses, use of space; etc. It was agreed to discuss at later date. Marlene is to speak with them again. Also discuss with them if they have insurance for any equipment they may be using.

New Business:

- Set a time to review contractor proposals and make some decisions.
- Need proposals for wall and floor.
- Marlene will copy contract information she has for council members.
- Stained glass window in church needs to be repaired asap.
- Any other business to discuss tonight? Questions? Concerns?

LWR-Gail Berkheimer—leave go for now.

Next regular meeting will be September 17th. Meeting was closed with the Lord's prayer.

Respectfully Submitted, *Carla Fishel*, Council Secretary

Secretary's Report: August minutes read and approved.

Pastor's Report: Read and accepted.

Financial Report: Read by Gayle Kolivras

Outreach report: given by Nancy

- Blood drive to be held Monday, Sept. 23
- Honors to emergency responders is Oct 6
- Discussed Christmas Gift program of New Hope.

Cemetery: Letter sent to Ruth Elicker - there is a lot and monument for her...although there are no corner markers on lot.

Old Business:

- Fundraisers: We will set up at the Farmer's Market on Sept. 28th. Set up begins at 7:15. Sandy has made some scarves for this day.
- Publicity-news article will be in Dillsburg Banner week of Sept 19th.
- Mug's and Muffins will be held at our church on October 12.
- Mountainview Christian Fellowship: Marlene has sent a letter of invitation but has not had a response as yet.
- LWR-Gail Berkheimer is contacting New Hope.

New Business:

- A letter of thanks was received from Filey's in appreciation of sheet music given to them.
- It was suggested and accepted by all present that we should offer our chimes to Filey's.
- Cleaning of basement area will be started on Sept 18th by Lisa and her crew.
- Reviewed the contacts that have been made for the basement flooring; we will be meeting with some at Church and others have yet to be contacted or times set up. Those discussed were Empire, Carpet Mart, Abbey Carpet, and some people from Biglerville. Additional calls may be made to Kirby's and possibly Lowe's.
- It was noted that Grab bars should be installed in bathrooms.
- Council members need to work on what their idea of the configuration of basement should be when done.
- We will need to set up a time for meeting to discuss the flooring proposals when they are completed.

Next regular meeting will be in October to be held at Emmanuel.

Our meeting was closed with the Lord's Prayer.

Respectfully Submitted, *Carla Fishel*, Council Secretary

THANKS TO THE FOLLOWING

Dear Faith United Lutheran Parish,

Thank you for your recent gift of \$187.70 to Tornadoes - United States. Your gift means that our church can continue its effective and efficient response and can be ready for the next phase in the recovery work. As the ELCA, we do more together than we ever could do alone. We are a church that believes God is calling us into the world--together. Thank you for your support.

ELCA World Hunger and Disaster Appeal

We give thanks for the time, talents, and treasures given so generously by members and friends of FULP. Please take a moment to express your appreciation to these individuals for their service and gifts to the glory of God and to us:

- Thank you to the Outreach Committee for your organizing work so that we may reach out to our community with the Love of Christ.
- Thank you to Ron and Wally (and others...) for your hunger reducing efforts with the Garden of Hope and to Loren for generously offering land for raising vegetables.
- Thank you Bob and Terry for your efforts keeping up Barren's grounds; to Ralph, Tom, Terry, and Bob for putting up insulation under the church house; for Carl who takes care of the trash; and Woody for mowing.
- Thank you to everyone who helped paint rails and redo the sign at Emmanuel back in late July. Thanks to George for mowing.
- Thank you to St. John's Franklin Council members for faithfully attending extra meetings recently and for Marlene's help in organizing.
- Thank you to Wally and Kevin for your help in calling the community to "A Day of Gratitude for Emergency Responders" on October 6th and for the parish council's role in its creation.
- Thank you to the parish for paying for my monthly Spiritual Direction sessions so that I can have a pastor too!
- Thanks to the Emmanuel gang who sets up and tears down their tent for outdoor events.
- Thanks to those who make "lap robes" and prayer shawls for our home bound and ill members.
- Thanks to Jack for being the grill master at the parish picnic and Ellen for pulling it together.
- Thanks to Wally, Tammy, Deb, Mary, and Marlene who do so much to draw many to be involved in leading our worship services.
- Thanks be to God for every opportunity and every willingness to serve, and love, and welcome our neighbors!

Pastor Roy

St. John's Franklin wants to thank everyone who has participated in our fundraiser. Every little bit helps. If you're still interested in First-Aid kits, Bruster coupons, plants, or hand crocheted scarves (perhaps for Christmas gifts) please contact any council member.

St. John's Members

Dear Brothers and Sisters in Christ,

I want to thank you for your thoughts, cards, visits, and prayers while I was in Manor Care recuperating from a broken right humorous and having a pace maker implanted, and since I have returned to my "home sweet home". It truly means a lot to me to know so many were praying for me. I feel prayer is a wonderful tool.

I especially want to thank Pastor Roy for his visits. They really brightened my days. Also, the bag of "goodies" was a delightful surprise, as was receiving the altar flowers. The alter flowers made my room more cheerful.

I am hoping it won't be much longer until I will be able to attend worship services. Sincerely,

Phyllis Griffin
